

SINGLETON PRIMARY SCHOOL (Jun14)

The following will define the local-intake area of this school from 2015—

From the point where the local government boundary between the City of Mandurah and the City of Rockingham meets Mandurah Road, west along this local government boundary to the coastline, north along the coastline to the western extension of Karunjie Road, east along this extension and east along Karunjie Road (south side included) to Minderoo Crescent, north along Minderoo Crescent (east side included) to the future road reserve between Lot 743 and Lot 744, east along the centre of this future road reserve between Lot 743 and Lot 744, (included) and continuing east to the western end of Gaze Grove (excluded) and Lot 744 side included) to the eastern corner of Lot 136, south east along Gaze Grove , east along Lot 134 (excluded) and Lot 9 (included) and its south east extension to Mandurah Road, and north along Mandurah Road (east side included) to Stakehill Road, east along Stakehill Road (south side included) to the junction with Baldivis Road, east along the locality boundary between Baldivis and Karnup to the Serpentine River, generally south along the Serpentine River to the City of Rockingham local government boundary at the northern side of Guanarnup Pool, and generally west along this local government boundary to Mandurah Road.

This map is based on a written description of the local-intake area (LIA) for the school as published in the WA Government Gazette. Although the map closely represents the LIA description, for some houses near the boundary (especially on street corners), it may be necessary to refer to the written description. The street address of a residence is used to determine whether that dwelling is inside a particular LIA. The LIA description can be found in the School Profile System on the Department of Education website. While local-intake areas for most schools do not change from year to year, changes are made to local-intake areas as required. Such changes are published in the "WA Government Gazette" (usually in a December issue) and subsequently this map will be updated.
For any enquiries contact Department of Education.
